

Kevin,

Thank you for taking time to speak with the Tennessee REALTORS NAR Directors. More importantly, thank you for stepping up and giving of your time to make a difference for all NAR members and their communities. We realize it is a big commitment.

There is no doubt both candidates have much to offer the members of NAR. However, the Tennessee NAR Directors believe your experience is what our members need to navigate the future. We are pleased to inform you the **state of Tennessee officially endorses your campaign.**

We wish you much success in your endeavor.

Best,
