Dear First Vice Presidential Candidate Kevin:

On behalf of Florida Realtors®, representing over 225,000 members in the great state of Florida, it is my pleasure to convey our formal endorsement of your campaign for 2024 First Vice President of the National Association of REALTORS®.

During the interview process, your preparation, knowledge, and expertise were evident. Florida Realtors NAR Directors overwhelmingly voted to endorse your campaign. Directors emphasized that you are very skilled at navigating the association and governmental entities to secure a solution to keep members at the center of the transaction.

Florida's directors are confident that you have the knowledge and experience to lead NAR. We look forward to your open-minded approach to see all sides of the issues that we will encounter.

We proudly endorse your candidacy and look forward to working together to affect positive change in our industry.

Sincerely,

Florida Realtors® President
